REGAL ROOM ENTERTAINMENT is a unique DJ and Band entertainment service that gives you what you want for a price you can afford. Our unique set up at our facility at the Regal Room gives us the opportunity to give you exactly what you want at your royal occasion for less than almost any other entertainment service. We are dedicated to giving you the experience you deserve, at a price you can afford.

In addition to our DJs, we also offer our bands, Shakey Ground has 2 female singers and plays standard soft rock. RockIt has 1 male and 1 female singer and plays standard plus classic rock. Either band plays a variety of music, including all of your favorites. If you would like to have both the band and a DJ, with the DJ playing in between the band, it is also available. We are here to give you the party that you want; therefore we want to make everything unique to you!

We are a family business and believe that our customers should be treated as part of our family: we strive to make your party a personal matter.

1. DJ SERVICE

>From the moment you walk into our first meeting to the moment you walk out the door after your party, our DJ service will accommodate any of your needs. In cooperation with our own Regal Room hostesses (Theresa or Josette), we will take care of everything! We want to make you a part of the party!

2. BAND SERVICE

When you choose our house band, you are not only getting an extremely musically talented band but also a chance for you to join in on the fun!

3. COMBINATION SERVICE

With our combination service you are getting a quality band and a quality DJ that will accommodate all of your needs. Just like the band and the DJ, they are dedicated to making you a part of the Party!
